RTP COSMETIC & FAMILY DENTISTRY

Medical History

Although dental personnel primarily treat the area in and around your mouth, your mouth is a part of your entire body. Health problems that you may have, or medication that you may be taking, could have an important interrelationship with the dentistry you will receive. Thank you for answering the following questions.

Your Primary Physician's Name & Phone Number: _____

# of weeks _____

Other:_____
_____

Please list any medications you are currently taking: _____
_____

I request and authorize Dr. Sheikh and/or her associate and assistants to examine, clean and provide my/the patient's dental treatment as necessary. I further request and authorize the taking of dental x-rays/photographs as may be considered necessary for diagnostic or educational purposes. **I understand that this office only uses composite (tooth-colored) filling material to restore teeth and amalgam (silver) is not available. I will be responsible for any charges incurred on this account.**
